### NEW HAMPSHIRE NEWS.

The Lanconia Tocsin has heard of a young lady recently of that place who, after returning to her home in Canada, was taken suddenly ill and died, as her relatives supposed. She was laid out in her coffin, and the time for her burial was near at hand, when, by some fortunate circumstance, she was found to be only lying in a comatose state, and by the application of proper means she was soon restored to consciousness, and is fast recovering.

An attempt was made on Friday night to fire the buildings of the Cole Manufacturing Company at Lake Village.

A new flume is to be built at Laconia, and the Gifford Hosiery Company, the Pitman Manufacturing Company and the grist mill will be obliged to lie idle a fortnight while the work is in progress.

The new Holderness school buildings are to be ready for occupancy next month. They will have cost over \$25,000.

While Oscar C. Frink of Chesterfield was drawing a charge from his gun, it accidentally exploded, the shot taking effect in his arm, shoulder and neck. It is thought he cannot recover.

The steamer, "Maid of the Isles," which was built about seven years ago at an expense of some \$15,000 and has laid at anchor in Wolfeboro, harbor for the past three years sunk Saturday night in about ten feet of water. Her machinery, consisting of a sixty horse-power engine and two large boilers, was in her when she sunk.

The farm buildings of George T. Hopkinson were burned at 2 o'clock Tuesday morning. Estimated loss \$5000.

## WHAT HAPPENED TO MR JOSEPH BEACH.

Stone in the Kidney Expelled after Using Dr. David Kennedy's "Favorite Remedy" About Two Weeks.

One of the most remarkable cases that has ever been brought to the notice of the public is that of Mr. J. S. Beach, of Stone Bridge, Ulster Co., N. Y. Mr. Beach had suffered since October 18th, 1874, from the presence of Calculus or Stone in the right Kidney. No less than seven physicians were employed at different times, to whom Mr. Beach paid hundreds of dollars for medical treatment, with only temporary relief from his agony.

By the urgent solicitations of his friend he was induced to try Dr. David Kennedy's "Favorite Remedy"—experienced a marked improvement from the first day he began to use the medicine: on the 15th, of September he voided a stone as large as could be passed through the natural channel.

Mr. Beach concludes a long letter to Dr. Kennedy by saying: "It will always afford me pleasure to recommend the 'Favorite Remedy' to those who may be suffering from difficulties of the Kidneys and Bladder, or any disorders arising from an impure state of the blood. The 'Favorite Remedy' sold by all druggists. The Doctor's only address is Rondout, New York.
